What matters to you

- Speeding.
- Anti social behaviour.
- Vehicle crime.

What have we done

- We have organised a number of speeding operations utilising speed guns. We have also requested the mobile speed enforcement van to attend various locations on the area to assist us. You can view this on the road safety website by following this link, which is regularly updated. [Camera van enforcement hours and offences - Leicester, Leicestershire and Rutland Road Safety Partnership \(speedorsafety.com\)](https://www.speedorsafety.com)
- Identifying and targeting the individuals causing the anti social behaviour. Passing their names to the council to start the incremental approach.
- Increasing patrols in areas where anti social behaviour is being reported to us.

A little insight into some of the things I have been doing this weekend:

- Patrols around Covert Lane, Scraftoft following reports of ASB involving off-road bikes
- House to house for burglaries in Houghton and Thurnby which happened during the week
- High visibility patrols around villages where there have been burglaries over the past few weeks
- Recovery of a vehicle that was reported as causing an obstruction for pavement users in Billesdon, and also had no road tax

Who remembers the Lady bird books from their childhood? I'm old enough too! 📖 📖 Harborough District Council (HDC) have created an exhibition at the HDC offices celebrating the books, and have done updated versions of many of the topics on all aspects of people who help us. Ours was about local police officers who serve the community. See if you can spot the local officers. Its definitely worth a visit, its in the library. Sgt Jelbert.
