

Community Emergency Plan

THE PURPOSE OF TUR LANGTON EMERGENCY PLAN

A plan has been designed by your Parish Council to help organise support for our community in the event of an emergency.

In the event of an emergency your first contact is 999

Make sure you are not in any danger. After this gather as much information as you can about what has happened. If you call 999 they will ask you for details of what has happened, where, when and who is involved. Give YOUR contact details to the Emergency Services so they can call you back. Ring them again if the situation changes significantly.

Like yourself your neighbours may need reassuring that the emergency is being dealt with and that professional and skilled people are responding. In this situation, what people need most is reliable, clear and concise information.

Our Community Emergency Plan identifies how we, as a community, can complement the emergency services in the event of an emergency. With that, if you feel you are aware of a community emergency, such as a localised flood, power cut, icy roads preventing use of certain walkways/roads, please call one of the following: Cllr Tessa Bladon on 07549271986, Cllr Katrina Briggs on 0775863103, Cllr Jan Haynes on 07973532680, Cllr Paul Officer on 07887954757 or Cllr Chris Weston on 07901961165 and all being well someone will be able to contact you soon after.

REMEMBER VULNERABLE PEOPLE

Think about the most vulnerable people who may need specific help and support in an emergency. It is more likely that elderly people or vulnerable people will need extra support.

Be a good neighbour and knock on their door.

Your Parish Council have identified The Crown Public House, Main Street as an Emergency Centre should one be required.

WARNINGS

In the event of bad weather events, there are various places you can get information:

	Meteorological Office
	Weather alerts and warnings will be issued at http://www.metoffice.gov.uk/ OR sign up on the website to receive local updates direct to your phone/email.

	Environment Agency
	Flood warnings will be issued here. https://www.gov.uk/government/organisations/environment-agency

	Harborough District Council
	What to do in an Emergency: http://www.harborough.gov.uk/info/200039/emergencies/261/emergency_planning Follow the Council on Twitter at HarboroughDC

	Leicestershire and Rutland Resilience Forum (LRF)
	Advice will be available on the website: http://www.localresilienceforum.org.uk/

	Local Radio
	Harborough FM http://www.harboroughfm.co.uk/ Follow them on Twitter at HFM news
