6. 6/25 - Reports and updates from:

6.1 County Councillor

From Kevin Feltham: Apart from LCC, as lead local flood authority, writing to central government asking for more funding to prevent flooding as happened last week, the county council also wrote to central government last Friday asking to postpone the county council elections due to be held on 1 May by a year. This is as a result of the government's white paper on devolution published in December. The government wishes to simplify local government by merging the responsibilities of counties and districts into unitary councils. There are no firm proposals yet as Leicester City and

Rutland wish to remain as unitary councils, although the city has mentioned enlarging boundaries to include some parts of the county - absolutely nothing happening until fuller discussions and consultations. Parish councils could be offered some further responsibilities but nothing even listed yet! The idea of postponing for a year is to allow all those details to be agreed and consulted on, so elections in May 2026 could possibly be for a shadow unitary. I understand some 13 or 14 of the 21 county councils also requested a postponement of May elections, and we await the government making a decision possibly by the end of January.

6.2 District Councillors

None.

9.	<p>9/25 - Highways</p> <p><u>9.1 General Report</u> Nothing to report.</p> <p><u>9.2 Snagging List</u></p>

Damage to the road sign opposite the Cranoe Road junction reported by Cllr Staveley after the last meeting has not been fixed.

9.3 Footpaths

Nothing to report.

9.4 Dog fouling and dog waste bins

Cllr Bladon contacted Cllr Roz Folwell at East Langton Parish Council to ask for some information about getting and maintaining dog waste bins, including the potential costs.

This information was discussed at the meeting, along with potential locations for a bin. **It was resolved to informally survey residents, and possibly mention the idea of getting dog waste bins in the newsletter, to see where residents think would be a good place for a bin.**

In terms of the budget, if it is decided to get dog waste bins, this can either be categorised as Village Improvements, or a new category can be made instead.

9.5 Grass cutting update

- Cuts for 2024 that invoices have been received for: 23/03/24, 17/04/24, 02/05/24, 23/05/24, 18/06/24, 08/07/24, 06/08/24, 20/08/24, 10/09/24, 24/09/24, 15/10/24, 28/10/24, and for the completed mowing in November.
- Leicestershire Gardens has been informed that the grass cutting contract with them has been extended for the 2025 season.
- LCC grass cutting reimbursement has been received.
- Councillors discussed making sure that the first trim of the bank in the 2025 grass cutting season is early enough. Cllr Bladon will liaise with Leicestershire Gardens to ensure that this happens.

10. 10/25 - Flooding

10.1 Flood Warden update

No volunteer at present.

10.2 Drains and street sweeping update

- For flooding, LCC Highways pumping out at the Main Street/Shangton Road drains during last year's floods seems to have resolved the issue there.

	<ul style="list-style-type: none"> • The new drainage construction seems to be prone to excessive deleterious material entering the mains, where the mains run under the highway. Therefore the drains seem to be Highways responsibility and not that of Anglia Water. • It was resolved to make a request every two years for Highways to give the main drains a thorough clearing. The new drain was installed in 2022, so a two year check was decided as being appropriate. • It was resolved to write to Highways about flood signs for someone in the village to own, and put out if there is a flood. • Road sweeping will continue to be monitored, and the dates of when it will be done will be checked.
11.	<p>11/25 - Trees</p> <p><u>11.1 Tree Warden</u> No updates.</p> <p><u>11.2 Horse Chestnut Tree on Buckey Lane update</u> No work to the tree has been carried out by Merton College's contractors yet. It was agreed to wait until March, and if the work has not been carried out by then, to enquire with Merton when it is due to take place.</p>
12.	<p>12/25 - Finance</p> <p><u>12.1 RFO Report and to note payments not previously minuted</u></p> <p>RFO Report</p> <ul style="list-style-type: none"> • Payments made on 02/12/24 should have been made on 30/11/24, but the payments were set up too late for them to be approved in time. • The Unity Bank payment card is being looked into.
